CERTIFICATE OF SURVEY:

This is to certify that I have drawn the subdivision plat as shown from a published map of property by Ben Smith dated May 20, 1986.

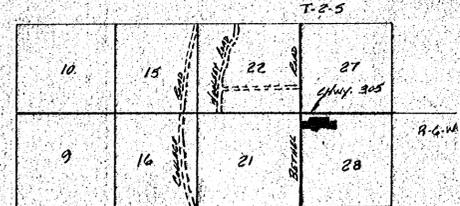

RESTRICTIVE COVENANTS (All restrictive covenants shall be recorded on each lot.)

- No lot shall be used for any purpose then single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one dwelling, a private garage for not more than three vehicles, and separate detached buildings incidental to residential use. Two or more lots may be combined for uses as one lot and in such case the interior lot lines may be disregarded and the utility easement will be automatically revoked (unless in use). In the event such lots are combined under one ownership for use as a single lot, no part of the combined lot may be sold or conveyed except to the original size of the lots before being combined. No single lot may be subdivided into two or more lots for the purposes of building another dwelling.
- No structure of a temporary nature such as trailers, basements, tents, shacks, garages, barns, motor homes or other outbuilding shall at any time be used, either temporarily or permanently as a residence.
- No obnoxious or offensive trade or activity may be carried on upon any lot nor shall anything be done thereon which may become a nuisance or annoyance to the neighborhood. No business or trade of a commercial nature may be carried on upon any lot.
- Each lot owner shall install culverts and driveways at his own expense.
- Only two outbuildings shall be permitted on any lot, including garages, barns, utility buildings and storage sheds.
- The minimum ground floor area of any dwelling erected in this subdivision shall not be less than 1800 square feet of living area, single story dwellings, and 1600 square feet for two story dwellings, exclusive of porches and carports.
- Trash, garbage, and other waste or rubbish shall be kept in sanitary containers provided specifically for those purposes.
- No shell or modular house will be permitted to be built in the subdivision, regardless of price or square footage of the house. All houses must be of new construction.
- No animals, livestock or poultry of any kind shall be raised, bred, or kept on any lot, except that dogs, cats, ponies, horses and other pets may be kept, provided they are not kept, bred, or maintained for any commercial purpose. Ponies and horses shall be limited to a combined total of one per acre. Appropriate buildings may be built for these pets.
- No cyclone or wire fence shall be erected on any portion of the front yard of any lot or on the side yard of any corner lot fronting on a street. Any fences facing a street shall not be a cyclone or wire type fence. Decorative type fences less than three feet in height may be erected within a yard adjoining a public street but not closer than 10 feet to the street right-of-way.
- All construction on buildings must be completed within twelve months from the time of construction begins and no structure shall be occupied until a final county inspection is received.

Septic tanks may be used on the lots shown on this plan of subdivision
